From the President

Our June 2 class on MS SQL security delivered by Brian Kelley was fantastic. Class was delivered as a walk-through audit and was helpful for security administrators, auditors, managers, and anyone who processes using MS SQL. Thanks again Brian for your presentation. Don't forget that you can go to Brian's Blog to obtain the class slides. Go to:

http://www.sqlservercentral.com/blogs/brian_kelley/

Elections are coming! We would love to have you join the team to help make the chapter work. Look for the email with the link for your vote coming shortly.

Summer Break -We will be on summer break for the rest of June, July and August. We will send out a newsletter to let you know who our new officers are, and what is planned for the upcoming year.

A Sneak Preview of the Upcoming Academic year - Save these dates - September 1 will be an all day session on Spreadsheet Security and Design of Controls, December 1, John Akerman will present selected discussion on Computer Forensics, January 5th, 2011 - Ken Cutler will stop by and do a brief talk for us on the 13 ways to Avoid Data Leakage, and on March 2, 2011, Greg Shields, MVP will present an all day session on Understanding Virtualization's impact on Auditing and Security. More to come. Please send your topic requests to us, so that we can schedule a seminar for you.

Sincerely,
Sue Rusher
2009 - 2010 President
